

Society for the Study of Emerging Markets EuroConference 2014

6-8 July 2014., Budapest, Hungary

Paper formatting guidelines

- Please send your paper as a .doc, .docx or .pdf file.
- All the submissions should be in the English language.
- Please ensure that the title of the submitted paper is both clear and explanatory.
- Full name, affiliation and contact information should be mentioned for all authors of the paper (please refer to the example below).
- Please include an abstract of not more than 250 words to summarise the background and results of the research.
- Please provide approximately 5 keywords and JEL classification number(s) that best characterise your paper.
- Preferable length of papers is 25 - 50 pages.
- The author(s) should make sure that complete bibliographic information is provided for all cited references and that there are no such items in the list of bibliography that have not been referred to in the paper.
- Please provide English language translations for all titles in the list of references the original language of which is not English.
- Please note that language editing and formatting of the paper is the responsibility of the author(s).
- Please make sure that all tables, figures and formulas are included in the text (preferably in an editable version) and not sent separately.
- Paper formatting instructions are provided below. As regards the overall style of the paper, we recommend authors to follow the APA Style (please refer to <http://apastyle.apa.org> and <http://owl.english.purdue.edu/owl/resource/560/01>).
